Points of interest: The Sculpture Trail occupies about three upland acres of an otherwise wet and forested 22.2 acres of protected land. The flat and easy to walk trail takes the visitor by twenty three installations created from a variety of materials.

Thanks to Troy West and Claudia Flynn for their inspiration and hard work on this project.

Directions to Trailhead: From Route 1 southbound take the left exit marked Green Hill Beach Road. Proceed 0.4 miles on Rout 1 northbound then take right exit marked Green Hill Beach Road. Stay on Post Road for 0.27 miles then take left on Green Hill Beach Road. Continue for 0.6 miles. Park only on the left (east) side of the road near a break in the stone wall across from Bedford Drive.
